

The Mark of the Beast

Val Brinkerhoff - 1/28/2022, 3 pages

Who You Believe Determines What You Believe.

"It is better to trust in the LORD than to put confidence in man" (Psalm 118:8).

"Choose you this day whom ye will serve . . . But as for me and my house, we will serve the LORD" (Joshua 24:15).

As we believe and trust God rather than men, we desire to embrace all **truth**, not the lies of fathers, teachers, priests, or kings. The wisest virgins love truth and "pray always", turning to God in humble prayer for a second witness of what we read and research (see 2 Ne. 32:8-9; 1 Thess. 5:17). To receive difficult truths, we must pray without any "idols in our hearts" (things we hold as true which are **not**, see Ezek. 14:1-11, also Prov. 23:7, Isa. 66:2-4, 2 Thess. 2:10-12, James 4:3, Jacob 4:14, Alma 29:4, and Morm. 9:28). God says **truth** is "things as they **really are**, past, present, and future" (see Jacob 4:13; D&C 93:24). Ask God.

Three Marks of "the Beast" within the "Beast System"

I. Sabbath Worship Which Sabbath we choose to honor is a mark of "who we worship" and how. There are three "Sabbath" choices we can make. God set aside the "7th day" on HIS BIBLE CALENDAR to "rest" after His creative work of 6 days. Thus, the 7th day Sabbath is closely tied to honoring God as "The Creator" and His special day of "rest". Only the 3rd choice below is aligned with God's teachings and will in scripture in connection with this concept.

- A. Sunday is the 1st day of the Catholic Gregorian calendar week and is tied to "**Sun**" worship via the early Romans.
- B. Saturday is the 7th day of the modified Jewish calendar, part of the Gregorian calendar week tied to "**Saturn**" worship anciently.
- C. The Lunar Sabbath occurs on the 7th day of each week on God's Bible calendar. It is marked by both the sun (seasons) and the moon (specific day via moon phase), not by men and their calculations that remove Him and the Holy Days on modern, idolatrous calendars.

For more on the LORD's Sabbath see, *Serious About the Sabbath* and www.worldslastchance.com

II. The Number 666 in Our Bodies (Rev. 13:15-18) This is the mark of Satan or the beast and his system, maintained by secret societies on earth. It results in **idolatry** and removing God from nearly all things. Too many turn to men (fathers, priests, and kings) and the new false religion of science rather than God and His truth. It is found in via prayer and His word in scripture. This results in believing lies along with the worship of "the beast" rather than the living God. The Bible and Book of Mormon are records of people who often fell into idolatry because of Satan's lies, their own pride, and the secret combinations allowed to thrive among them. Baal worship in the Bible was a constant problem among the Israelites. It was symbolized by **the sun**, in connection with the male, generative principle, along with pillars and pylons tied to Ashtoreth, his consort. Both were fertility symbols. Today we worship nearly everything but God, including men as leaders, and science and technology that tell us that earth revolves around the sun in a "solar system".

Many believe the modern spherical earth model is false and that scripture supports a flat, non-moving circular earth, as our solid, stable foundation, with a tent or tabernacle-like dome overhead. This dome serves as a firmament or "heaven". Inside it is the sun and moon circling overhead each day. Scripture (especially the Book of Enoch) supports this particular model, rather than a tilted, spinning earth that rotates around the sun. The good Enoch of Genesis (and the Book of Moses, which is the JST version of Genesis) describes a flat earth model well in *The Book of the Courses of the Heavenly Luminaries*. There is an evil Enoch too, found in the Book of Genesis, a son of Cain through Lamech.

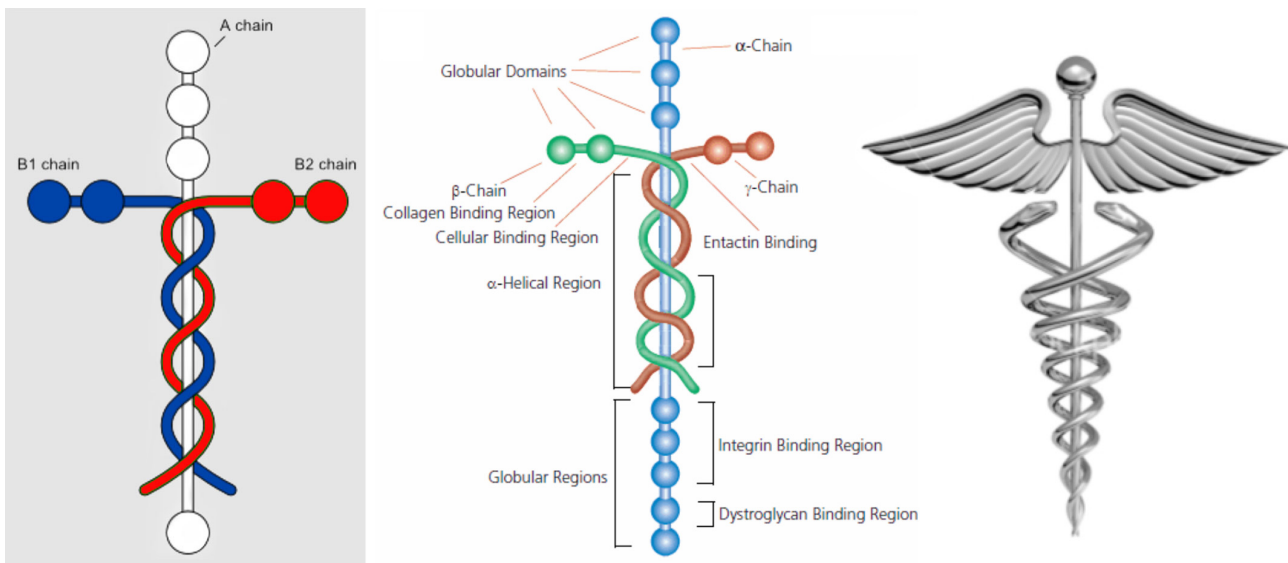

Note that the number **66.6%** equates to **the third part** of those in the pre-existence that did **not** choose God. This may be reflected in the 3 sets of **666** tied to earth measures in the spherical earth model put forth by modern science. Thus, the number **666** hereafter is doing one of two things. It is showing us that science and technology is a **new religion** replacing God, or that the spherical earth model is a false one. Search, pray, and come to truth.

A. The Forehead Mark The forehead is a symbol of our beliefs, focus, or thoughts. John talks about the seal of the living God in "the forehead" (Rev. 7:3). As we choose God we are sealed to Him (Mosiah 5:5), otherwise we are sealed to Satan (Alma 34:35) by our beliefs, choices, and actions. Too many believe the lies of men, resulting in "the Grand Delusion" (2 Thess. 2:11; Matt. 24:4) today, rather than believing God via sincere prayer and His word in scripture. John the Revelator spoke of "the beast system" we live in today. The "secret combinations" in the Book of Mormon address this system over 80 times. It results in the corruption of all things, including our schools and our churches, all of them (Morm. 8:32-41). The "beast system" is marked by the number **666** (Rev. 13:15-18). We are to "come out of her" or "Babylon".

B. The Hand Mark The hand is a symbol of our choices and actions, the result of what we believe in our mind or heart. It has been said, “Who we believe determines what we believe”. I choose to believe God in scripture and prayer, not men.

C. The DNA Mark The most elementary “mark of the beast” may be our DNA. The purity of our blood is signaled by our DNA. Both were pure in the beginning. The serpent, Satan introduced the seeds of death into our blood early on. It was corrupted more with the fallen angels who rebelled against God, and is being further polluted by those pushing thee Covid-19 vaccines upon us. Science says we have only two strands of DNA, but many feel there is a third strand of light which is strengthened as we turn to God completely in being “born again”. The number **666** is 2/3rds of a whole of 1000 or **66.6%** of 100%. It may be a numerical marker for lower-light individuals with only 2 visible strands of DNA among those rejecting Christ, those not “born again” in **Him**. Spiritual and physical changes occur in our blood as we are made a “new creation” in Christ Jesus. How are we sanctified, made pure.

1. *What we consume* What we eat, drink, watch and listen to (what is taken into the body, mind, spirit, soul). The ordinance of the Sacrament (bread – broken *body* and wine – shed *blood*) helps to purify us, as does “the ordinance of the similitude of my suffering”, an Ammonite ordinance now similar to the Native American “sweat-lodge” (see Mentinah, Ougou vs. 70-77 & 1 Shi-Tugohah 1-22).
2. *Who we worship* If we choose God via faith & repentance, we are baptized in water (an ordinance as a sign of our cleansing). God then chooses us, baptizing us with fire and the Holy Ghost. In this our blood is purged, sanctified, physically changed into a “new creation” (read about this in TPJS, pps. 149-50). See also my paper, *Clear Born Again scriptures*, www.7witnesses.com
3. *Who we associate with and how* can further purge our blood, returning us to the image of God. This can occur as we mingle with like-minded individuals – as “like mingles with like” (see *The War of Worship in Two Opposing Bloodlines*, www.7witnesses.com).

Left, the cross-shaped, glue-like substance known as Laminin holds our DNA together. It is believed to have 3 chains or “strands”, whereas 2 strands is only 2/3rds or **66.6%** of 3 possible strands. The 2 illustrations left and middle feature the “A” chain in white or blue. They are symbolically tied to the greater light of those who are “born again” in Christ Jesus; At Right we see the Caduceus, symbol of the health profession and the Chakra energy centers surrounding the human spinal column. The 2 serpents may be tied to the battle between the 2 serpents in the first Passover (the first 2 of 12 miraculous signs there). It was a battle between the living God and His great power, and the false idols of the Egyptians. Later, Moses raised up a serpent on a pole, symbolizing the future Son of God as Redeemer being raised up on a pole in the Atonement. His pure blood - shed for us - provides healing, reversing the effects of sin, death, and hell, introduced by the opposing serpent who beguiled Eve in Eden.

III. Modern Science as the Mark of the Beast System in 666 Some believe that the spherical earth model being pushed forward in the New World Order “beast system” is a deception, and that the flat earth model is the real truth presented us in scripture. The spherical earth model is marked by 3 sets of the number **666**. Do these numbers represent deception in the spherical earth model, or do they simply inform us that science is becoming a replacement religion for the Creator God?

Whether true or not, the 3 sets of **666** numbers hereafter (A – C) are tied to (1) The potential circling of the earth around the sun; (2) The earth as a spinning body; And (3) The tilt of the earth on its axis. The math for all 3 results in the number **666** – “the mark of the beast”, as addressed in Revelation 13:15-18. Many of the Flat-Earthers believe that the globe earth model is being put forth by those in the New World Order, the leaders of which worship Lucifer. They desire to bring in the Anti-Christ

to rule and reign on the earth. Again, the best way to know truth is to spend time, with an open mind, researching this, then go to God in prayer to find truth, but only if we are truly open to it, as truth can often be shocking.

A. Sun Worship & Circling of the Earth Around the Sun Modern science says the Earth is circling around the sun at **66,600** miles per hour, or 18.5 miles per second, or 1040.8 mph. Sun-centeredness, in connection with a “solar system” may demote God and His creation, especially if the earth is flat. It is similar to ancient Baal worship in the Old Testament Baal was symbolized by the sun. Flat-Earthers claim the earth is a solid, unmoving foundation created on the 1st day (Gen. 1:1-5), and that it was enclosed in a firmament or heaven (like a tent or tabernacle) created on the 2nd day (Gen. 1:6-8). The heavenly luminaries (including the sun) were placed inside the “heaven” on the 4th day. The Book of Enoch states that the sun and moon are the same size and that they move above the earth in differing sized circles (resulting in seasons with equinoxes & solstices), and that they change speed to equalize each day into a 24-hour period. They have consciousness, with choice to obey God or not. They, the calendar & a flat earth are described well by the good Enoch. See *The Book of the Courses of the Heavenly Luminaries*.

B. Earth Curvature Modern science says the spherical curvature drops 8” per mile squared (8 inches is **.666** or 2/3rds of a 12” foot). This results in a supposed visual drop-off of **.666** feet in 1 mile, **66.666** feet in 10 miles, and **666.666** feet in 100 miles. This theory is counteracted by photographs of objects that are far away, made with a powerful telephoto lens. Countless of these photographs show the entire object in the photograph, top to bottom. It does not disappear below a curved horizon.

The first person to reach the Stratosphere (51,775 feet, 9.8 miles) **on May 27 of 1931 was Auguste Piccard**, a respected Swiss physicist and inventor, friend of Einstein. His photograph from a 10-mile high altitude reveals a flat horizon. Addressing the earth below in a *Popular Science* magazine article (Aug., 1931), Piccard saw the earth below through the porthole of the metal capsule he was in. It was suspended below his large helium-filled balloon. He stated, “It [the earth] seemed a **flat disc with up-turned edge, no curve.**” To find the supposed earth curvature in any number of miles (2 miles, 8 miles, etc.), square that number, multiply it by 8, then divide that number by 12. The quotient is the curvature drop. Note the chart below:

Statue Miles Away	Math	= Drop Below Spherical Horizon
1 mile	1 x 1 x 8 =	8 inches
2 miles	2 x 2 x 8 =	32 inches
5 miles	5 x 5 x 8 / 12	16 feet
8 miles	8 x 8 x 8 / 12	42 feet
10 miles	10 x 10 x 8 / 12	66.6 feet

World Record Straight-Line Transmission Exalt Air (*microwave transmission company*) set a world record for the distance of a straight line of sight microwave transmission at 146 miles. It was from a 50-foot tall microwave tower on a beach in Cyprus, sent to another tower on the coast of Lebanon east. Based on the supposed curvature of earth (8” per mile squared), the drop off should be 12,575 feet or **2.38 miles** below the earth’s curve, concealing the visibility and therefore the transmission of microwaves to the other tower, which is 50 feet high, 146 miles away, and across a body of water. Water is flat, never curved.

C. Tilt of the Spherical Earth Earth’s supposed tilt is 23.4 degrees off center, or **66.6** degrees (90 degrees minus 23.4 degrees = **66.6** degrees). Seasons are not caused by a tilted, spherical earth. Instead, Enoch describes them in *The Book of the Courses of the Heavenly Luminaries* as differing sized circles around the North Pole, the circles tied to the two solstices and the two equinoxes, with the sun and moon moving at differing speeds to create repeating 24-hour days.

Summary The religion of science is replacing God for many people. The question is, are the 3 sets of **666** numbers below tied to this idolatry, or is the spherical model a deception, or both? Research and prayer provide truth (see 2 Ne. 32:7-9).

1. Earth is said to circle around the sun at **66,600** miles per hour or 18.5 miles per second (1040.8 mph). This sun-centeredness (idolatry) may demote God and His creation for many.

2. Earth’s curve in modern science is calculated to drop 8” per mile squared. At 1 mile this drop is **.666** of a foot of 12” or a drop of 8”. At 10 miles this drop is **66.666** feet. At 100 miles this drop is **666.666** feet. Photography of distance objects doesn’t support this drop off.

3. Earth’s axis tilt is 23.4 degrees off of 90 degrees upright, resulting in a **66.6** (90 degrees - 23.4 degrees = **66.6** degrees). Seasons may not be caused by a tilted, spherical earth. Instead they are described well by the good Enoch in *The Book of the Courses of the Heavenly Luminaries*. This is most likely another reason why the book of Enoch was removed from the Bible. The other two reasons being its coverage of the fallen angels (in detail), and their making of secret oaths as part of getting gain.
