

# The Mark of the Beast

Val Brinkerhoff - 9/19/2021, 3 pages

*Who You Believe Determines What You Believe.*

*"It is better to trust in the LORD than to put confidence in man" (Psalm 118:8).*

*"Choose you this day whom ye will serve . . . But as for me and my house, we will serve the LORD" (Joshua 24:15).*

As we believe and trust God rather than men, we will embrace **truth**, not the lies of fathers, teachers, priests, or kings. The wisest virgins "pray always", turning to God in humble prayer for their truth (see 2 Ne. 32:8-9; 1 Thess. 5:17), doing so without any "idols in their hearts" (things we hold as true which are **not**, see Ezek. 14:1-11, also Prov. 23:7, Isa. 66:2-4, 2 Thess. 2:10-12, James 4:3, Jacob 4:14, Alma 29:4, and Morm. 9:28). God says **truth** is "things as they **really are**, past, present, and future" (see Jacob 4:13; D&C 93:24).

## Three Marks of "the Beast" within the "Beast System"

**1. Sabbath Worship** Which Sabbath we choose to honor is a mark of "who we worship" and how. There are three "Sabbath" choices. God set aside the "7<sup>th</sup> day" on HIS BIBLE CALENDAR to "rest" from His creative work. It is closely tied to honoring God as "The Creator" and His special 7<sup>th</sup> day. Only the 3<sup>rd</sup> choice below is aligned with God's teachings and will in scripture.

- A. Sunday is the 1<sup>st</sup> day of the Catholic Gregorian calendar week and is tied to "Sun" worship via the early Romans.
- B. Saturday is the 7<sup>th</sup> day of the modified Jewish calendar, part of the Gregorian calendar week tied to "Saturn" worship anciently.
- C. The Lunar Sabbath occurs on the 7<sup>th</sup> day of each week on God's Bible calendar. It is marked by both the sun (seasons) and the moon (specific day via moon phase), not by men and their calculations that remove Him and the Holy Days on modern, idolatrous calendars.

For much more on the LORD's Sabbath versus modern idolatry in our current calendar, see the author's paper, *Serious About the Sabbath*.

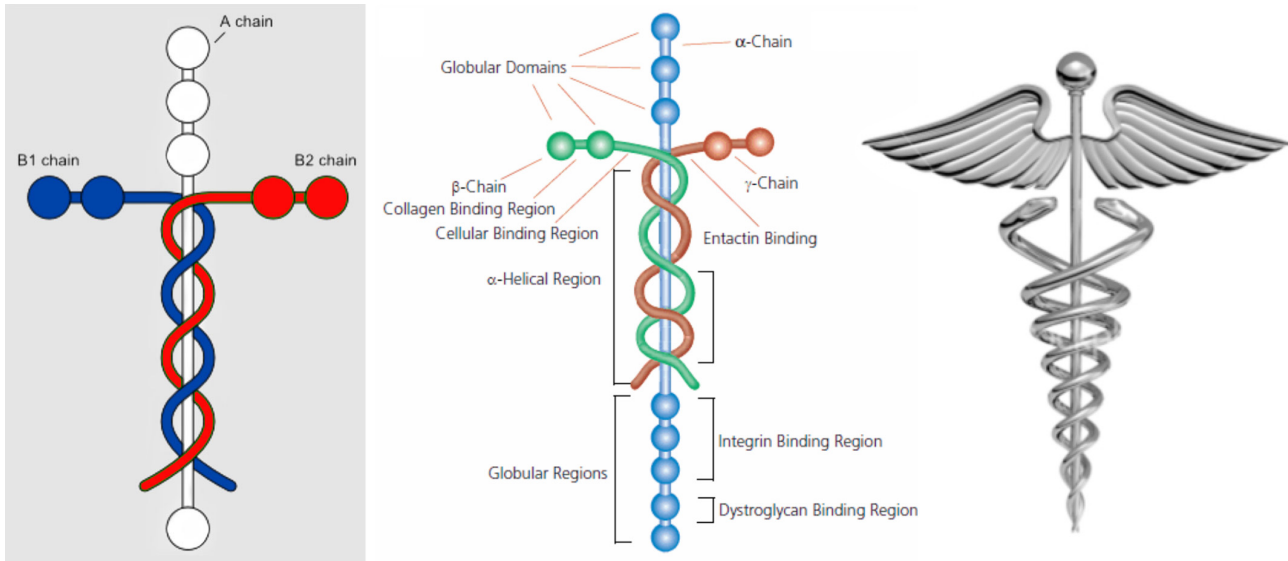

**2. The Number 666 in Our Bodies** (Rev. 13:15-18) This is the mark of Satan or the beast and his system, maintained by secret societies on earth. It results in **idolatry** and removing God from nearly all things. Too many turn to men (fathers, priests, and kings) and science rather than God and His truth. It is found in via prayer and His word in scripture. This results in believing lies along with the worship of "the beast" rather than the living God. The Bible and Book of Mormon are records of people who often fell into idolatry because of Satan's lies, their own pride, and the secret combinations allowed to thrive among them. Baal worship in the Bible was a constant problem among the Israelites. It was symbolized by **the sun**, in connection with the male, generative principle, along with pillars and pylons tied to Ashtoreth, his consort. Both were fertility symbols. We worship nearly everything but God, including men and science that tell us that earth revolves around the sun in a "solar system". Scripture supports a flat, non-moving earth as a solid, stable foundation, with a tent or tabernacle-like dome overhead, serving as a firmament or "heaven". Inside it is the sun and moon. They circle overhead each day. Scripture supports this model, rather than a tilted, spinning earth that rotates around the sun. So does Enoch, who describes all of it well in *The Book of the Courses of the Heavenly Luminaries*.

**A. The Forehead Mark** The forehead is a symbol of our beliefs, focus, or thoughts. John talks about the seal of the living God in "the forehead" (Rev. 7:3). As we choose God we are sealed to Him (Mosiah 5:5), otherwise we are sealed to Satan (Alma 34:35) by our beliefs, choices, and actions. Too many believe the lies of men, resulting in "the Grand Delusion" (2 Thess. 2:11; Matt. 24:4) today, rather than believing God via sincere prayer and His word in scripture. One of the greatest lies or delusions is the Spherical Earth theory and the false science of Evolution coming from it. They replace the truth of God's Divine Creation and the flat earth model as taught in scripture. John the Revelator spoke of "the beast system" we live in today. The "secret combinations" in the Book of Mormon support this system, resulting in the corruption of all things, including all churches (Morm. 8:32-41). The "beast system" is marked by the number **666** (Rev. 13:15-18). We are to "come out of her" or "Babylon".

**B. The Hand Mark** The hand is a symbol of our choices and actions, the result of what we believe in our mind or heart. It has been said, "Who we believe determines what we believe". I choose to believe God in both scripture and prayer, not men.

**C. The DNA Mark** The most elementary "mark of the beast" may be our DNA. The purity of blood is signaled by our DNA. Both were pure in the beginning. The serpent, Satan introduced the seeds of death into our blood early on. It was corrupted more with the fallen angels who rebelled against God, and is being further polluted by those pushing thee Covid-19 vaccines upon us. Science says we have only two strands of DNA, but many feel there is a third strand of light which is strengthened as we turn to God completely. The number **666** is 2/3rds of a whole of 1000 or **66.6%** of 100%. It may be a numerical marker for lower-light individuals with only 2 visible strands of DNA, apparent among those rejecting Christ, those not "born again" in Him. Spiritual and physical changes occur in our blood as we are made a "new creation" in Christ Jesus. How?

1. *What we consume:* What we eat, drink, watch and listen to (what is taken into the body, mind, spirit, soul). The ordinance of the Sacrament (bread – broken *body* and wine – shed *blood*) helps to purify us, as does "the ordinance of the similitude of my suffering", an Ammonite ordinance now similar to the Native American "sweat-lodge" (see Mentinah, Ougou vs. 70-77 & 1 Shi-Tugohah 1-22).
2. *Who we worship:* If we choose God via faith & repentance, we are baptized in water (an ordinance as a sign of our cleansing). God then chooses us, baptizing us with fire and the Holy Ghost. In this our blood is purged, sanctified, physically changed into a "new creation" (see TPJS, pps. 149-50).
3. *Who we associate with and how,* can further purge our blood, returning us to the image of God. This can occur as we mingle with like-minded individuals – as "like mingles with like" (see *The War of Worship in Two Opposing Bloodlines*, www.7witnesses.com).

Left, the cross-shaped, glue-like substance known as Laminin holds our DNA together. It is believed to have 3 chains or “strands”, whereas 2 strands is only 2/3rds or **66.6%** of 3 possible strands. The 2 illustrations left and middle feature the “A” chain in white or blue. They are symbolically tied to the greater light of those who are “born again” in Christ Jesus; At Right we see the Caduceus, symbol of the health profession and the Chakra energy centers surrounding the human spinal column. The 2 serpents may be tied to the battle between the 2 serpents in the first Passover (the first 2 of 12 miraculous signs there). It was a battle between the living God and His great power, and the false idols of the Egyptians. Later, Moses raised up a serpent on a pole, symbolizing the future Son of God as Redeemer being raised up on a pole in the Atonement. His pure blood - shed for us - provides healing, reversing the effects of sin, death, and hell, introduced by the opposing serpent who beguiled Eve in Eden.

**3. The Spherical Earth as the Mark of the Beast System in 666** The false spherical earth model pushed forward in the New World Order “beast system” is marked by three sets of the number **666**. A fourth marker of **666** is tied to our DNA. Wise virgins recognize these numbers as being tied to deception. They are found in the numbers tied to the lie that (1) The earth circles around the sun; (2) The earth is spinning; And (3) The earth is tilted on its axis. The math for all three spherical earth lies, results in the number **666** – “the mark of the beast” addressed in the Book of Revelation (Rev. 13:15-18). There, John tells us that one “mark of the beast” is the number **666**. It is tied closely to the globe earth theory put forth by those in the New World Order, the leaders of which worship Lucifer. This number is part of their new religion of fake science, designed to help bring in the Anti-Christ to rule and reign on the earth.

**a. Sun Worship: Fake Circling of Earth Around the Sun** Earth supposedly circles around the sun at **66,600** miles per hour or 18.5 miles per second or 1040.8 mph. This idolatrous sun-centeredness, tied to a “solar system” demotes God and His creation of the flat earth. It is similar to ancient Baal worship in the Old Testament Baal was symbolized by the sun. Note that the earth as a solid, unmoving foundation was created on the 1<sup>st</sup> day (Gen. 1:1-5), the enclosed firmament or heaven (like a tent or tabernacle) was created on the 2<sup>nd</sup> day (Gen. 1:6-8). The heavenly luminaries (including the sun) were placed inside the “heaven” on the 4<sup>th</sup> day. The sun and moon are the same size and move above the earth in differing sized circles (seasons with equinoxes and solstices), and change speed to equalize each day into a 24-hour period. They have consciousness, with choice to obey God’s will. They and the calendar tied to a flat earth are described well by Enoch in *The Book of the Courses of the Heavenly Luminaries*

**b. Fake Earth Curvature** Earth’s supposed spherical curvature is calculated to drop 8” per mile squared below the horizon (8 inches is **.666** or 2/3rds of a 12” foot). This results in a supposed visual drop-off of **.666** feet in 1 mile, **66.666** feet in 10 miles, and **6666.666** feet in 100 miles. This theory is easily disproved by photographing objects that are far away with a powerful telephoto lens. Countless of these photographs show the entire object in the photograph, top to bottom. It does not disappear below a curved horizon.

**The first human being to reach the Stratosphere** (51,775 feet, 9.8 miles) on May 27 of 1931 was Auguste Piccard, a respected Swiss physicist and inventor and friend of Einstein. His photograph from a 10-mile high altitude reveals a flat horizon. Addressing the earth below in a *Popular Science* magazine article (August, 1931), Piccard saw the earth below through the porthole of the metal capsule he was in. It was suspended below his large helium-filled balloon. He stated, “It [the earth] seemed a **flat disc with up-turned edge, no curve.**” To find the supposed earth curvature in any number of miles (2 miles, 8 miles, etc.), square that number, multiply it by 8, then divide that number by 12. The quotient is the curvature drop. Note the chart below:

| Statue Miles Away | Math             | = Drop Below Spherical Horizon |
|-------------------|------------------|--------------------------------|
| 1 mile            | 1 x 1 x 8 =      | 8 inches                       |
| 2 miles           | 2 x 2 x 8 =      | 32 inches                      |
| 5 miles           | 5 x 5 x 8 / 12   | 16 feet                        |
| 8 miles           | 8 x 8 x 8 / 12   | 42 feet                        |
| 10 miles          | 10 x 10 x 8 / 12 | <b>66.6</b> feet               |

**World Record Straight-Line Transmission** Exalt Air (microwave transmission company) set a world record for distance of a straight line or line of sight microwave transmission of 146 miles. It was from a 50-foot tall microwave tower on a beach in Cyprus, sent to another tower on the coast of Lebanon east. Based on the supposed curvature of earth (8” per mile squared), the drop off should be 12,575

feet or 2.38 miles below the earth's curve, concealing the visibility and therefore the transmission of microwaves to the other tower, which is 50 feet high, 146 miles away, and across a body of water. Water is always flat, never curved in vertical fashion.

**c. Fake Tilt of the Spherical Earth** Earth's supposed tilt is 23.4 degrees off center, or **66.6** degrees (90 degrees minus 23.4 degrees = **66.6** degrees). Seasons are not caused by a tilted, spherical earth. Instead, Enoch describes them in *The Book of the Courses of the Heavenly Luminaries* as differing sized circles around the North Pole, the circles tied to the two solstices and the two equinoxes, with the sun and moon moving at differing speeds to create repeating 24-hour days.

**Summary** The false globe earth is part of the replacement religion of science, resulting in the 3 lies as "marks" below:

1. Earth supposedly circles around the sun at **66,600** miles per hour or 18.5 miles per second (1040.8 mph). This sun-centeredness (idolatry) demotes God and His creation of the flat earth. It was created on the 1<sup>st</sup> day, the heavenly luminaries (including the sun) on the 4<sup>th</sup> day.
2. Earth's supposed curve is calculated to drop 8" per mile squared. At 1 mile this drop is **.666** of a foot of 12" or a drop of 8". At 10 miles this drop is **66.666** feet. At 100 miles this drop is **6666.666** feet. This theory is easily disproved by photographing objects that are far away.
3. Earth's supposed axis tilt is 23.4 degrees off of 90 degrees upright, resulting in **66.6 degrees** (90 degrees - 23.4 degrees = **66.6** degrees). Seasons are not caused by a tilted, spherical earth. They are described well by Enoch in *The Book of the Courses of the Heavenly Luminaries*.
